

PREDATOR[®]

SIGNODE[®]

12 SS AUTO

AUTOMATIC STRAPPING MACHINE

INTERMEDIATE

The Signode Predator 12 SS has been manufactured with safety in mind and to handle corrosive environments of the Food and Meat Processing Industries. Understanding the ever present demands in production, the Signode Predator 12 SS can apply up to 30 straps per minute. Any miss fed straps are easily and quickly corrected with the Signode Predator's automatic cut and refeed feature.

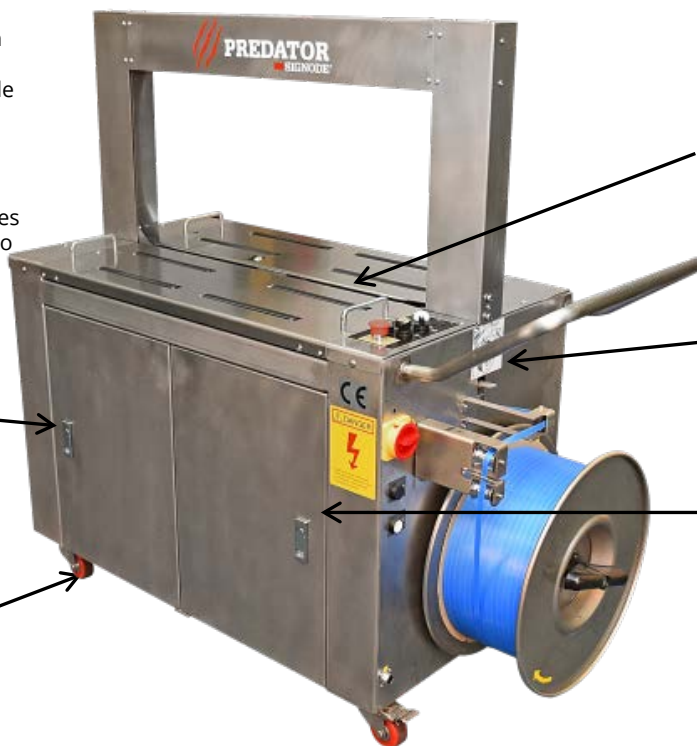

FEATURES

- 30 straps per minute (dependant on carton size)
- Automatic strap loading & adjustable tension meter
- Automatic cut & refeed
- Safety switches on all doors
- Heavy duty locking castors
- Automatic strap eject for coil changes
- Mechanical tension adjustment up to 70kg
- Foot switch
- 12 month warranty
